

Washington's 59th Annual

# Governor's Industrial Safety and Health Conference

SEPTEMBER 29–30, 2010

SPOKANE CONVENTION CENTER

Mark your calendar now and make plans to attend!

Pre-registration begins May 17, 2010  
at: [www.wagovconf.org](http://www.wagovconf.org)

## Safety and Health – Words to Live By

### What's new:

Safety in action! Watch industry-specific safety practices in the **Demo Hall** – lockout/tagout, fall protection, 3-point truck exiting and more.

### Workshops and annual events:

- ▶ The **Governor's Lifesaving Awards** recognize everyday people who take extraordinary actions to save another's life. Come hear the stories of Washington's heroes and heroines.
- ▶ Choose from more than 20 workshops. Topics include **vibration hazards, confined space, building security, CDL requirements, respirator fit testing, and workplace violence**. Visit [www.wagovconf.org](http://www.wagovconf.org) to see more topics.
- ▶ Don't miss the popular **Forklift Rodeo** and **Poletop Rescue** competitions.
- ▶ **Exhibit Hall** – the conference wouldn't be complete without the trade show exhibits where companies display cutting-edge technologies focused on improving worker safety.

### Featured presentations:

- ▶ Combustible Dust
- ▶ Disaster Preparedness
- ▶ Accident Investigation

## The conference for workplace safety

Earn Continuing Education Credits for attending, from the American Board of Industrial Hygiene and the Board of Certified Safety Professionals.
